**Resumption of *Ex Parte* Appeal following conclusion of proceedings in Sharon K. Christie v. Enchante Accessories, Inc.; Cancellation No. 92042350**

---

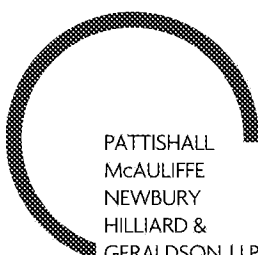

Dear Ms. Brown:

I represent the Applicant, Sharon K. Christie, in this appeal.

This follows up on and confirms our conversation of earlier this week regarding the abandonment of this application by virtue of the Board's termination of the appeal. As we discussed, this occurred because, although I had provided both the Board, in the cancellation action, and TEAS in connection with the application, my new address contact information, that new address was not used by the Board in sending notices about this appeal. A copy of the filing, submitted to TEAS on February 3, 2006, is enclosed.

As I advised, we dismissed the cancellation proceeding because of a settlement, in which we obtained a consent from the defendant. Our intent was to seek remand of the application prior to briefing on the appeal, and then on remand, to provide that consent for further review by the examining attorney.

This confirms, as I advised you, that I did not receive the October 29, 2007 Board Order resuming the *ex parte* appeal proceedings. I also did not receive the January 26, 2008 Board Order dismissing the appeal for failure to file an appeal brief.

In light of the fact that I had timely provided my correct address information, I respectfully request that the application and appeal be reinstated. After that is done, we would anticipated filing the request for remand.

Thank you again for your attention to this matter.

Very truly yours,

/Belinda J. Scrimenti/
